SUBJECT: Request for Copies of Soviet Model of Colonial-
Imperialism

Thank you very much for the copy of your paper on Communist Tactics in International Meetings. This is a definite improvement over anything thus far done along this line. I hope that you will keep your interest alive on the subject and that a more extensive treatment can eventually be produced. ←

Today we sent ten copies of Soviet Model of Colonial-Imperialism to you. I am very sorry that we could not supply your full request for eighteen copies for we are extremely anxious to have as much use as possible made of these briefs. The demand has been so heavy that the stencils are now worn out and it would be a task beyond OCB's capabilities to re-type the whole text at this time.
